- Authentication • Google & Apple Sign-In • Localization • Notifications • Third-Party Packages

Tools & Backend

- Git & GitHub
- Android Studio & VS Code
- Xcode & Postman
- Play Console
- App Store Connect
- CI/CD
- Serverpod & PostgreSQL
- Testing & Debugging
- Performance Optimization

EXPERIENCE

Brainstormer Technologies, Lahore | Flutter Developer (Full-time) **(Dec 2025 – Present)**

- Apps: SLMS360, SLMS360 Student, Toddlers App Staff, Toddlers App, DeenLink, BloodSync, MyFable.
- Improved app performance by ~40% in SLMS360 and ~30% in Toddlers App Staff through feature development, bug resolution, and optimization of load times and state management.
- Overhauled DeenLink with offline local data, Quran/Hadith/Dua modules, audio, personalization, and Firebase-based update management.

Dynamic Dev Technologies, Remote | Flutter Developer (Part-time) **(Feb 2026 – Aug 2026)**

- Apps: Service Square, AzuNii Health, Lagoon Lounge.
- Built end-to-end role-based workflows (auth, appointments, chat, notifications etc) across 3 production apps, integrating REST APIs and real-time features to support multi-role users.
- Maintained and improved 3 production apps across service marketplace, healthcare, and collaboration domains, resolving bugs and shipping UI updates to support active user bases.

Freelance / Project-Based Experience, Remote | Flutter Developer **(Jun 2023 – Sep 2025)**

- Apps: Digital Car Yard, Dezoc, Notium, Weather App, Task Management etc.
- Delivered 5+ freelance Flutter applications end-to-end from UI/UX to Firebase backend and REST API integration for clients across automotive, healthcare, and productivity domains.
- Accelerated feature delivery and debugging by ~40% using AI-assisted development workflows across client projects.

PROJECTS

SLMS360
Google Play App Store

- Institutional management SaaS platform for attendance, payroll, leaves, documents, projects, and staff operations.

Toddlers App Staff
Google Play App Store

- Childcare management platform for staff, educators, attendance, activities, communication, and daily operations.

DeenLink: My Dua's
Google Play App Store

- Islamic companion app providing Quran, Hadith, Duas, Adhkār, Tasbeeh, audio, and offline access.

Service Square
Google Play App Store

- Multi-role professional services marketplace connecting service providers with users for service discovery, requests, and communication.

EDUCATION

D.A.E in Computer Information Technology
(2022 - 2025)

- Malaysian Institute of Technology, Salamatpura Lahore

Matriculation
(2020 - 2022)

- The Spirit School, More Khunda

SOFT SKILLS

- Problem Solving
- Communication
- Teamwork
- Adaptability
- Time Management
- Continuous Learning
